ABOUT ME

Software developer with **4+ years of experience** and a **4th-year Computer Science student**. I combine academic rigor with self-directed learning and a practical, results-oriented mindset. I have also incorporated AI tools to support development, prioritizing technical expertise, manual review, and automated testing to ensure quality.

EXPERIENCE

Software Developer

Humantic Digital | Remote | January 2025 - March 2026

Development of web applications and websites, covering domain analysis, data modeling, and implementation. Integration of AI tools to optimize the development process.

- Development of web applications, e-commerce, and mobile applications.
- Design and implementation of reusable component systems used across multiple projects.
- Integration of AI tools into development workflows, including validation through automated testing.
- Collaboration with design and QA teams to ensure consistency, quality, and compliance with specifications.
- Participation in planning, prioritization, and task estimation.

Frontend Developer

Humantic Digital | Remote | February 2022 - December 2024

Development of interfaces for websites, e-commerce platforms, and mobile applications, with a focus on scalability, responsiveness, and accessibility.

- Implementation of *pixel-perfect* interfaces, including pages, components, and interactions.
- Management of complex state, context, and routing.
- Integration of backend services using REST and GraphQL.
- Execution of QA tasks and code reviews.

EDUCATION

Bachelor's Degree in Computer Science - Universidad Nacional de La Plata, Argentina | In progress, 4th year

Next.js & React - The Complete Guide - Udemy (Academind)

React - The Complete Guide - Udemy (Academind)

SKILLS, TECHNOLOGIES, AND TOOLS

- **Frontend:** Next.js, React, React Native, JavaScript, TypeScript, HTML5, CSS3, Tailwind CSS, jQuery
- **Platforms / CMS:** Shopify, Contentful, Payload CMS
- **APIs:** REST, GraphQL
- **AI:** GitHub Copilot, Claude Code, *agents, skills*, MCP
- **Tools:** Git (GitHub, GitLab), Jira, Figma, Slack

LANGUAGES

- **Spanish** - Native
- **English** - Advanced
